10 PRIME Pritchard Hill PAWlooza!

Pritchard Hill: It might not be an official sub-AVA of Napa Valley—but it's synonymous with some of the most supple and sought-after Cabernets on Earth.

This lot consists of a life-altering collection of 750-ml and large-format (1.5-, 3-, and even 6-liter!) from the absolute crème de la crème of Pritchard Hill: Continuum, David Arthur, Nine Suns, OVID, Bryant, and many more. The last decade was chock-full of excellent vintages, and these babies will whisk you to the best ones, all the way back to 2009. Add this priceless collection to your cellar, and your only task will be finding enough friends to share it with—although with wines like this, it'll be easy!
