## Lawrence Wine Estates Style

Indulge in the ultimate Napa Valley wine experience with an unparalleled selection of tastings, dining, and transportation for up to six guests. This exclusive package also features dinner with Carlton McCoy, MS, your ultimate guide to the Napa Valley, and the once-in-a-lifetime opportunity to create a custom blended 12L with the entire LWE winemaking team.

Begin your perfect day in Napa Valley as you are transported to The Salon at Heitz Cellar, located in the heart of St. Helena. Taste and learn about the iconic single-vineyard Cabernet Sauvignons from Napa Valley's premier appellations and their remarkable ability to be paired with the finest cheese and charcuterie in the world. This tasting includes the iconic Martha's Vineyard Cabernet Sauvignon and the single-vineyard Quartz Creek Chardonnay.

Next, you will travel to The Residence at Stony Hill for a privately catered lunch on the 168-acres nestled on the slopes of Spring Mountain. You and your guests will enjoy a beautiful lunch expertly paired with the limited-production wines of Stony Hill, hosted by Estate Director Michaela Kelly.

After lunch, prepare for SENSES by Ink Grade at The Pavilion in St. Helena. This cinematic sensory experience fuses fine wine, nature, and state-of-the-art technology to unveil the new collection of single-estate wines from one of Napa's most prestigious AVAs, Howell Mountain. This fully immersive experience envelops all senses and will be a standout in the day.

Your special day concludes at Burgess where your host, Master Sommelier Carlton McCoy, will join you and your guests for an inspired farm-to-table menu as you dine alfresco amongst the vines with Estate Director Julia Wildt and celebrated Winemaker Meghan Zobeck. The following day, you and your guests will meet the entire LWE winemaking team at the historic Heitz Cellar Estate for the custom blending session of your signature 12-liter bottle.
