From our free Community Wellness Clinics spanning multiple counties, to providing essential supplies like flea medications, microchips, collars, leashes, and crates, we strive to remove barriers to animal care and ensure that every companion animal and their guardians receive the love and support they deserve.

But our commitment doesn't stop there. We believe that every animal, no matter their species, deserves to be happy. That's why with your support, we can provide even more clinics, greater access to affordable veterinary care and ongoing care and enrichment for our resident sanctuary animals and those in foster or fospice.

Now, more than ever, we need your support to continue our critical work of helping over 5,000+ animals each year.
