# 6 ABCD: A-List Beckstoffer Dr. Crane Dinner

You'll dirty your hands with Napa Valley's top grapegrower. You'll talk barriques and battonage with its most celebrated winemakers. You'll sip, savor, and scrutinize with a Master of Wine AND one of the world's top critics.

Only the insiders behind WineaPAWlooza could pull off an event like that. This is a buy-a-spot event: You and 29 others will kick off the evening by touring St. Helena's legendary Beckstoffer Dr. Crane vineyard with Andy Beckstoffer himself —while sipping Beckstoffer Dr. Crane wines, of course. Then you'll head to the newly opened Arrow&Branch winery in Coombsville for a dinner prepared by French Laundry alum Chef Daniel Gomez Sanchez.

During dinner, you'll enjoy and discuss five Beckstoffer Dr. Crane wines with Master of Wine Lisa Perrotti-Brown, longtime Wine Advocate chief and founder of The Wine Independent. Napa Valley's own Master of Wine Vanessa Conlin will lead the conversation, which will be spiced up by a pack of wine superstars: Kirk Venge & Jim Borsack (Venge, B Cellars), Victoria DeCrescenzo & Russell Bevan (Bevan, Adversity Cellars), Seanne & Steve Contursi and Jennifer Williams (Arrow&Branch), Sam Kaplan and Hayes Drumwright (Memento Mori), and Tor and Susan Kenward (TOR). Trust us, with this crew, it might get loud!
