7 A Weekend with the Maiden!

If there was ever a wine worthy of having a whole weekend planned around it, it's Harlan Estate's The Maiden. Grown on Harlan Estate's exquisitely maintained vines on their remarkable hillside site, available only through the mailing list, it's a completely different expression than Harlan Estate's proprietary red—one that's beloved for magnifying the mood of each vintage.

You'll be welcomed at Harlan Estate for an exclusive tasting, featuring both The Maiden and Harlan Estate's proprietary red wine. You'll also have dinner at Thomas Keller's Bouchon in Yountville, joined by Amanda Harlan and estate director François Vignaud.

Nothing embodies Napa Valley luxury and quality like Harlan Estate—this will be an unforgettable weekend!
